Service name: Telemry - Telemetry and online management system or Telemry project, Telemry for short.

Developer and operator: Sándor Tóth (private individual)

Contact: toth.sandor@telemry.com

1. Content Accuracy

The information on this website is for informational purposes only. We make no warranty as to the accuracy, timeliness or completeness of the content.

2. External Links

External links on this website lead to sites operated by other providers. We are not responsible for the content or privacy practices of these sites.

3. Service availability

We are not responsible for the unavailability of the website (e.g. technical failure, maintenance).

4. User Content

If the website allows for the uploading of content (e.g. notes), Users assume the legality of the uploaded materials. We reserve the right to retract or delete content that does not comply with the law.

5. External forms

We are not responsible for the accuracy, legitimacy, or conduct of End Users provided in bug reporting or appointment booking forms. The User creating the forms is responsible for the legitimacy of the data processing.

5. Hardware risks

We are not responsible for the failure of third-party IoT devices, use of faulty firmware, or loss of data.

6. Mobile application

- The Operator is not responsible for:
- The incompatibility or malfunction of the application on certain devices.
- The lack of regulation of app stores operated by third parties (e.g. Google Play).
- Data traffic costs resulting from the use of the application.
